

Kindergarten Education Scheme

School-based Learning Activity of Chinese Culture

Display Form

TWGHs Katherine Ma Kindergarten

Name of School

2022-2023

School Year

LK (K2)

Grade Level

Name of Activity

Art Activity – Designing Blue-and-White Porcelain Tableware

Objective(s)

- Understand Chinese Art – blue and white porcelain
- Appreciate the unique pattern of blue and white porcelain
- Enjoy the experience of creating their own artwork

Brief Descriptions:

Children learn about Chinese tradition tableware in the topic of food. For example, there are traditional patterns on bowl and plates. They can explore, observe and appreciate the unique pattern of the blue-and-white porcelain, do art activities, and make blue and white porcelain tableware. The interest of exploring Chinese art is enhanced among the children.
